ES En 85 Lighting, creemos que la iluminación es más que una necesidad: es una expresión de estilo y personalidad. Somos especialistas en lámparas decorativas que combinan diseño sofisticado, calidad e innovación, creando ambientes únicos y acogedores.

Cada pieza se desarrolla con atención al detalle, respetando las tendencias contemporáneas sin perder la atemporalidad. Desde el minimalismo elegante a los clásicos reinventados, nuestras lámparas elevan cualquier espacio, haciéndolo más acogedor y armonioso.

Nuestra misión es transformar la luz en arte, ofreciendo soluciones que destacan por su diseño y funcionalidad. Ya sea para un proyecto residencial o comercial, RDESIGN ilumina con distinción.

EN At 85 Lighting, we believe that lighting is more than a necessity - it's an expression of style and personality. We specialise in decorative lamps that combine sophisticated design, quality and innovation, creating unique and welcoming environments.

Each piece is developed with attention to detail, respecting contemporary trends without losing timelessness. From elegant minimalism to reinvented classics, our lamps elevate any space, making it more inviting and harmonious.

Our mission is to transform light into art, offering solutions that stand out for their design and functionality. Whether for a residential or commercial project, RDESIGN illuminates with distinction.
